

**The Deal for Communities investment Fund is now open for Small Investment applications until 8th May 2017 – 9am.**

The Deal for Communities Investment Fund is an exciting opportunity for people to make a real difference in Wigan Borough.

The funding forms part of The Deal, an informal contract between the council and residents and includes a commitment for both sides to work together to make Wigan Borough a better place. As part of The Deal, residents are being encouraged to get involved in their community. The Deal for Communities Investment Fund will allow communities to help solve some of the borough's biggest social problems.

There are several priority areas for the funding to ensure the projects receiving investment improve outcomes for local residents. There is also a guidance document available for more information on how to apply. This can be found at [www.wigan.gov.uk/communitydeal](http://www.wigan.gov.uk/communitydeal)

**Organisations and Groups can apply for a small investment (up to £2,000).**
