

20th June 2017

Dear Parent/Guardian

Please find enclosed a consultation document relating to a proposal to increase the number of school places at Rose Bridge Academy. This is in collaboration with the local authority and is due to an increasing demand for places at Rose Bridge Academy.

The document is self-explanatory but you are invited to discuss the proposals with academy officers, if you wish, on Monday 26th June 2017, 5.00 pm - 7.00 pm at the academy. At this meeting you will have the opportunity to ask any questions which you feel are relevant and/or seek any clarification of issues relating to the proposals.

Yours faithfully

Mrs D Wood
Headteacher
