Friday 8th June 2018

Head teachers Letter

Dear Parents/Carers ,

You will have received a letter on Friday requesting your support in ensuring your child arrives to school with a school bag from Monday morning onwards. This will allow them to organise their belongings and equipment so that they are ready to learn.

I have been impressed this week by our students attitudes around the school. They have been polite, well mannered and there has been very little litter. These values have been clearly developed at home by pupils and applied in school which, we very much appreciate.

Finally, you will see pictures of our joint MFL/PE visit to Barcelona. As expected our pupils were a credit to our school and the trip as a whole proved an extremely valuable experience for students,

Yours sincerely

Mr B Bridden Med MSc

Higher

Education Fair

On Wednesday 16th June 16 students accompanied by their Head of Year participated in the Higher Education Fair held at Wigan Youth Zone.

Students had the opportunity to ask a wide variety of employers, universities and training providers questions relating to careers and their future prospects.

Exhibitors included; The University of Manchester, Myerscough College and Medical Mavericks. Students were very inquisitive and enthusiastic in their investigations of careers and came back into school after the visit inspired and excited about their futures.

Theme of the Week : Believe

Barcelona

Over the half term break Rose Bridge Academy staff and students travelled to Barcelona for a cultural enrichment visit. Students had the opportunity to explore Barcelona visiting the Sagrada Familia as well as the Camp Nou, the Home of Barcelona FC.

Students experienced the cultural diversity of the city which proved an excellent experience for our pupils in order to develop their cultural understanding of Spain as well as allowing pupils to practice their language skills as part of their GCSE Spanish course.
